**STATEMENT OF COMPLIANCE WITH THE  
FCC'S CUSTOMER PROPRIETARY NETWORK INFORMATION (CPNI) RULES**

To the best of my knowledge, ENMR Telephone Cooperative, Inc. ("ENMR") is in full compliance with the FCC rules on CPNI and its requirements for the safeguarding of such customer information. The Company is in compliance with the FCC's CPNI Rules because its operating procedures ensure that disclosure of CPNI, or access to our customers' CPNI, is not allowed without obtaining the proper customer approval, except as required by law, or the exceptions set forth in 47 U.S.C. §222, and Subpart U of Title 47 of the Code of Federal Regulations; 47 C.F.R §64.2001 through §64.2011.

ENMR instructs its employees about CPNI and has procedures in place for the access and/or disclosure of CPNI. Employees with access to CPNI are aware of the FCC's rules and are prohibited from disclosing or permitting access to CPNI without the appropriate customer consent or as allowed by law and the FCC rules. Any employee that discloses CPNI in violation of FCC rules is subject to disciplinary action and possible termination.

ENMR has not taken any actions against data brokers in the past year. ENMR has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

**Company CPNI Status:** To the best of my knowledge and belief, the Company does not presently use, sell, or otherwise release CPNI for marketing or other commercial purposes. If our customers' CPNI is to be used for sales and marketing campaigns in the future, the appropriate safeguards will be implemented in accordance with 47 C.F.R. §64.2009.
